PROCLAMATION

INSTITUTIONAL STATEMENT OF OFFICIAL MOURNING FOR COVID-19 VICTIMS

As consequence of the difficult moments suffered by the Spanish and world population due to the effects caused for the coronavirus pandemic .Hundreds of thousands of affected people and deads for this cause.

The Bigastro town want to join to the public demonstration of charity with the people, families and friends.

We know the pain of these families for the loss of their relatives. We offer our condolences with the unique gesture that we can show them today.

From today until the end of this social and health crisis, the flags of the officials buildings will wave at halfpole by all victims of this pandemic.

We wish the recuperation of all the people with this illness with hope.

We express thanks and support all public services, enterprises and their employees during this days they protect us and they supply with products and services for the population.

We request to the Spanish govern that support the locals administrations with resources to protect the population, research community for the illness solution and vaccine to avoid the propagation and others illness similar.

Teresa María Belmonte Sánchez
Mayor of Bigastro Town Hall
