PREVENTIVES MEASURES FOR THE PURCHASE OF OCCASION OF COVID 19

To improve the protection of population's health, the department of commerce and local development of Bigastro recommends the next preventives measures:

- For the access in the shop, wait your turn in the queue outside of the establishment, keep the safety distance (more than 1 meter). The store staff will communicate the access to attend inside of the store.
- Keep the safety distance (more than 1 meter) with the other customers inside of the store.
- The store staff attend you individually. Be patient.
- Follow the instructions of the store staff.

GENERAL RECOMMENDATIONS

- Avoid the groups and people crowds.
- Avoid touching eyes, nose and mouth. The hands have contact with a lot of contaminated surfaces.
- When coughing or sneezing, cover your mouth and nose with your flexed elbow or with a disposable tissue and throw it immediately.
